

## **Artech Wins PrO Unlimited's Platinum Global Supplier Award for 2008**

**CEDAR KNOLLS, NJ – May 6, 2009** – Artech Information Systems LLC (Artech) has been named the Platinum Award Winner in PrO Unlimited's Annual Global Supplier Awards. The award is in recognition of outstanding staffing supplier partners for 2008.

Artech won the award amid a field of more than 6,500 providers servicing PrO's Fortune 1000 clients. The winning suppliers were those who achieved the highest customer service rankings on PrO Unlimited's 30-point Supplier Scorecard and were voted on by PrO's onsite teams throughout the country. These companies consistently deliver excellence in contingent staffing and project fulfillment across multiple PrO clients. According to PrO, Artech has proven time and again that quality and a commitment to service excellence can be maintained across diverse skill types, client environments and geographies.

Terrie Weinand, EVP & COO of PrO commented, "PrO initiated our Supplier Awards ten years ago with an intent to recognize those star performers whose commitment to our programs have helped drive PrO's growth and success in the Contingent Workforce Management space. Our 2008 award winners are all very bright stars whom PrO and our clients depend on to not only find the best talent, but to partner in these difficult financial times on cost savings initiatives and creative sourcing strategies."

### **About Artech Information Systems LLC**

Artech is a Minority- and Women-Owned Business Enterprise (MWBE) that provides IT consulting and workforce solutions. Headquartered in Cedar Knolls, NJ, Artech generated nearly \$200 million in 2008, employs over 2,500 professionals across the US, India and China, and is a Tier-1/Preferred Supplier to more than 35 Fortune 500 companies.

### **About PrO Unlimited, Inc.**

PrO Unlimited delivers a full range of services to address procurement, management and compliance issues related to contingent (non-employee) workers, i.e., independent contractors, consultants, temps and freelancers. PrO pioneered the concept of contingent workforce management in the early 90's and now works with some of America's largest and most prestigious companies. As part of its total solution, the company offers services such as e-procurement of contingent labor, 1099 consulting and audit support, as well as third-party payroll. PrO hosts its own VMS application, WAND (Workforce Alliance Network Direct) currently utilized in the US and abroad. PrO is based in Boca Raton, FL, with offices nationwide.
